PROFESSIONAL SUMMARY

Operations and technology-focused leader with experience improving workflows, automating processes, and using data to support organizational decision-making. Background includes Microsoft Power Automate, Excel reporting, AI-assisted tools, workflow design, onboarding automation, operational reporting, and cross-functional leadership. Experienced in building scalable systems that improve efficiency, reporting visibility, staff support, and customer experience.

PROFESSIONAL EXPERIENCE

Downtown YMCA - Associate Executive Director / *Chattanooga, TN | Sep 2025 – Present*

- Lead customer-facing operations across multiple departments, supporting service delivery, issue resolution, staff performance, and a consistent member experience.
- Selected for an association-wide enterprise software implementation task force, collaborating with leadership and vendor representatives to review workflows, test functionality, and support adoption across six branches.
- Serve as the Downtown branch software training lead, developing and delivering hands-on training for approximately 25 employees and providing ongoing post-launch support.
- Design automated member onboarding and follow-up workflows using Microsoft Power Automate and Microsoft 365 to improve communication consistency and engagement.
- Coordinate across departments to resolve customer concerns, communicate operational needs, and implement service improvements.
- Analyze membership, program utilization, participation, and incident data to identify trends, support proactive decisions, and improve the customer experience.

Cleveland YMCA - Associate Executive Director / *Cleveland, TN | Jan 2024 – Sep 2025*

- Led five departments and more than 130 employees while maintaining service quality, operational accountability, and strong customer relationships.
- Oversaw approximately \$4M in annual budgeting, forecasting, and reporting, applying financial and operational data to guide decisions.
- Managed customer and donor engagement through GiveSmart, supporting successful campaigns that generated \$147,000 in contributions.
- Built a participation tracking system to monitor utilization trends, identify changes in demand, and guide staffing, scheduling, and program recommendations.

Cleveland YMCA - Senior Director of Membership / *Cleveland, TN | Feb 2021 – Jan 2024*

- Led customer-facing membership operations, including onboarding, engagement, retention, and service recovery across the member journey.
- Used CRM and membership data to monitor engagement patterns, identify retention risks, and develop targeted follow-up strategies.
- Increased membership revenue through improved onboarding, proactive outreach, process improvements, and team performance management.
- Maintained high customer satisfaction by resolving escalated concerns, gathering feedback, and coordinating service-focused operational changes.

Cleveland YMCA – Wellness Director / *Cleveland, TN* / *Dec 2018 – Feb 2021*

- Managed personal training and wellness services, building customer relationships and supporting long-term engagement and retention.
- Trained and supported staff on service expectations, program delivery, scheduling, and communication.
- Used participation trends and customer feedback to recommend programs, improve utilization, and strengthen the overall customer experience.

Hamilton YMCA – Wellness Coordinator / *Chattanooga, TN* / *Jan 2016 – Dec 2018*

- Designed and implemented a structured new member onboarding program that increased member engagement and improved the overall member experience.
- Created a Microsoft Access CRM database that streamlined member tracking and was later adopted across four YMCA branch locations.
- Analyzed member participation and engagement data to identify opportunities for increased retention and program utilization.
- Built strong relationships with members through ongoing coaching, follow-up, and goal tracking, contributing to high customer satisfaction.
- Collaborated with membership and wellness teams to improve operational workflows and ensure a seamless member experience.
